

ACADEMIC COACHING AND WRITING

If you are a PhD student or a Master's student and require assistance in your educational pursuit, *IZ New Consulting* offers a wide range of services:

- Individual Mentoring and Coaching,
- Group Mentoring and Coaching,
- Academic Writing and Editing.

ONE-ON-ONE COACHING & MENTORING

“Individual Mentoring and Coaching” is available.

We help students organize and complete their project. We will help you get organized, and regularly track your progress to ensure that you stay on top of tasks.

At *IZ New Consulting*, we focus on a holistic — not strictly academic— approach to helping students finish their degree.

In-person, or over the phone, or video chats are used to discuss student project on an individual basis in absolute confidence; they also serve as a sounding board for stress relief.

We will offer both emotional and academic support to help you complete important tasks, as well as provide the tools you need to achieve your goals, which enable you to accomplish more with less effort.

For more information on “one-on-one” coaching et mentoring, contact:

Prof. Israel R. Kabashiki at: consulting@izglobalexpertise.com.

He holds a *Ph.D. in Public Policy and Administration* and a *Doctor of Management*.

GROUP COACHING

“Group Mentoring & Coaching” is also valuable.

Through this model, I provide counsel to several students in-person or over the phone, or video chats.

Those involved agree to confidentiality, and the group is configured to guarantee that no

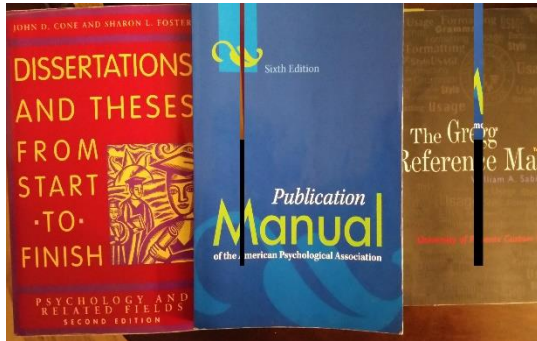

one in the group will be in competition with another.

The first advantage of our “Group-Coaching” approach is that I can accomplish more in less time.

The second advantage is that it provides *IZ New Consulting* with the opportunity to gather and coach Ph.D. students from different disciplines —and from all over the world.

The beauty of our “group-coaching” setting is the emergence of cohorts of doctoral students. The advantage of such cohorts is the “built-in” peer support it allows.

ACADEMIC WRITING & EDITING

At *IZ New Consulting*, we provide Ph.D. and Master’s students with a wide range of academic writing supports.

Our services include, among others:

- Dissertation writing and editing,
- Thesis writing and editing,
- APA formatting,
- Helping students find research studies relevant to their Dissertation or Thesis.
